Theo Zubah, known as "ZUBAH", hailing from Atlanta, GA is the latest up and coming face of the sound known as Riddim.

After five years of releases and live shows in different electronic genres, Zubah found his stride in the subgenre of riddim, and sharing with the online dubstep community to hone his skills. His fun and energetic personality manifests itself through his hard hitting, high energy, rhythmic bass patterns. His live is just as exciting...displaying intense movement and crowd connection, he EARNs the participation of every audience he plays for.

With such an organic online footprint and local support and presence, Zubah is steady releasing music on EDM label giants like Prime Audio & more.

In addition, Zubah is not afraid to go beyond the boundaries of Riddim, and experiment with, hip-hop, House and Techno & more.

**Fans have become sensational during his shows, shouting in unison,
"Z-U-B-A-H * NOW SPELL * R-I-D-D-I-M"**
